To Whom It May Concern:

**Re: SMART Reseller Tequipment Incorporated**

SMART is the manufacturer of SMART Board<sup>®</sup> interactive whiteboards and other SMART brand products (“**SMART Products**”) (a complete listing of which may be found at [www.smarttech.com](http://www.smarttech.com)). SMART hereby confirms as of the date of this letter that Reseller is the sole SMART reseller of Education products for K12 and Higher Ed sales in New York and New Jersey and an authorized **Diamond SMART Education** reseller.

To be granted this status, a reseller must effectively install, support and provide in-service training on the entire family of SMART educational products. As the number of SMART products in the state increases, the ability to effectively provide Professional Development to teachers is essential to maximize the benefits of the product and to enhance the learning experience for students.

All SMART Products sold by SMART's authorized resellers ship with SMART's standard limited warranty, which SMART will honor.

Sincerely,

**Rick Vogel**
