Patchogue, New York 11772

Board Policy

Revenue from Local Districts

All districts shall be billed for services and administrative costs on a monthly basis. Tuition for students enrolled in Eastern Suffolk BOCES classes for any part of the monthly attendance period shall be billed to their home district for a full month unless other arrangements are made. In some instances, special contracts may establish other conditions of payment.

The billing of all services shall be a function of the Business Services Office.

The District Superintendent, Chief Operating Officer, or designee shall work through the superintendents of the local districts to obtain prompt payment.
