Program Development and Management

Eastern Suffolk BOCES provides a large array of diverse programs. All employees are encouraged to promote and develop new services to meet the changing needs of our clients.

To ensure that all programs are of the highest quality and comply with all required policies, regulations and law, the District Superintendent, Chief Operating Officer, or designee shall develop regulations that specify the process for the development and approval of new, ongoing, and revised services.

First Adopted: 7/1/2003
Readopted: 7/11/2007
Readopted: 6/26/2013
