# BIOFIT®

Answers are in our nature.™

At BioFit, that's more than a tagline – it's our focus as we constantly strive to improve the workplace experience through furnishing solutions featuring ergonomic performance, style and reliability. We've been an innovator for the past 79 years, solving challenges for industrial and scientific environments, and subsequently supplying the education, office, defense, automotive and textile markets. With a global network of over 600 independent distributors, we continue to proudly serve these industries today, as well as leaders in the healthcare and technology fields.
