

Board Policy

Board/Community Relations, Goals, and Public Information Program

The Board recognizes the importance of an Office of Communications, which creates a realistic, consistent image for Eastern Suffolk BOCES and will continue to support those procedures that will assure the success of this program in harmony with established goals.

The Board reaffirms and declares its intent:

- a. to keep the citizens of ESBOCES informed, through all the channels of communication, of the programs, activities, planning and other information determined by the Board to support its mission or to have educational value for students and constituents of its component districts, and to carry out this policy through its own efforts and the Chief Operating Officer and
- b. to seek the advice and counsel of the people of ESBOCES through advisory committees selected from the community and appointed by the Board to consider those matters that vitally affect the future of our children.
